Dear Mr. Lee:

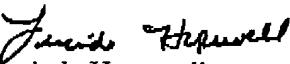

Ms. Ramaley called our office today stating that she's due to receive a patent in 2 weeks. Please be advised that her patent is to issue in two weeks; however, her first name is spelled wrong with the USPTO. According to your records, her first name is LIDA. Her first name in reality is actually LINDA. Please make the necessary correction.

Also, please be advised that Ms. Ramaley has moved. Her patent should be sent directly to HER at the following address:
